(Change in Disclosed Matter)
Notice Concerning Acquisition of Fixed Assets

GMO Internet, Inc. (the "Company") hereby announces that, at the Board of Directors meeting held today, it resolved to change the details of the additional introduction of equipment necessary for service provision, including GPU chips, and the construction of a data center to house GPU servers, as disclosed in the "Notice Concerning Acquisition of Fixed Assets" dated October 19, 2026, as set forth below.

1. Reason for the Change

In light of the supply status of and demand for "GMO GPU Cloud," the Company's GPU cloud service, the Company previously resolved to procure additional GPU chips and other equipment necessary for service provision, and to construct a data center to house GPU servers. Following a comprehensive review of its policy on investment in, and allocation of funds to, next-generation GPU chips going forward, the Company has decided to revise these plans as set out below.

2. Details of the Change

The changes are underlined.

① Description of the Assets to Be Acquired

【Before the Change】

(1)	Name	GPU server (Up to 116 units of NVIDIA B300 GPU Servers) and a set of ancillary equipment, including data center construction work
(2)	Location	Ishikari City, Hokkaido
(3)	Acquisition cost	Approx. 26.1 billion yen (planned)

Note: Includes amounts for ancillary equipment

【After the Change】

(1)	Name	GPU server (Up to 20 units of NVIDIA B300 GPU Servers) and a set of ancillary equipment, including data center construction work
(2)	Location	Ishikari City, Hokkaido
(3)	Acquisition cost	Approx. 6.5 billion yen (planned)

Note: Includes amounts for ancillary equipment

3. Future Outlook

The Company has determined that the impact of this matter on its consolidated financial results for the fiscal year ending December 2026 will be immaterial. Should any matters requiring disclosure arise going forward, the Company will disclose them promptly. Please note that the amount of future investment in next-generation GPU chips is not included in this disclosure. The Company will disclose details promptly once they are finalized.
