2. Reason

The Company recognizes the return of profits to its shareholders as one of its important management priorities. Taking a comprehensive view of the results of each fiscal year, the strengthening of its corporate structure, and future business development, the Company has set a basic policy of targeting a consolidated dividend payout ratio of 65% or higher. In order to return the results of its management to shareholders as promptly as possible, the Company pays quarterly dividends.

In addition, for the dividends for fiscal 2025 and fiscal 2026, to commemorate its listing on the Prime Market, the

Company plans to pay a commemorative dividend equivalent to a payout ratio of 35%, on top of the payout ratio of 65% under the basic policy.

Based on the above, the dividend for this quarter will be 6.10 yen per share (payout ratio of 100%). Dividends for the next quarter onward are also planned to be paid in accordance with the above policy.
